BENTLEY COMMUNITY (UKI) - Autumn 2008 Conference
Thursday 27th and Friday 28th November 2008
at RIBA, Portland Place, London W1

Theme: Sustainability

BENTLEY INSTITUTE TRAINING

AGENDA

Day 1 – Thursday 27th :

0900 - 1000	Registration / Tea + Coffee		
1000 - 1300	**Training T1** – Introduction to GC (Generative Components) in a Building environment Stuart Milne, Bentley Systems	**Training T5** - MicroStation V8i - Luxology Rendering Chris Lakins, Bentley Systems	
1300 - 1400	Registration / Tea + Coffee		
1400 - 1700		**Training T4** - Bentley Architecture V8i Introducing Bentley Architecture into your Workflow Bogdan Wasylkiw, Bentley Systems	

BENTLEY COMMUNITY (UKI) Autumn 2008 Conference

AGENDA

Day 2 – Friday 28th:

Time	Core Stream	Building Construction Stream	Infrastructure Stream	Academic Stream
0830 – 0915	Registration			
0915 – 0930	Welcome and Introduction – Len Greetham			
0930 – 1015	**A1** – Keynote – The V8i Release of Products - **Joe Croser, Bentley Systems**			
	Core Stream	**Building Construction Stream**	**Infrastructure Stream**	**Academic Stream**
1020 – 1100	**A2** Exploring your projects with Project Explorer - **Ian Lapper, F1 CAD Services**	**B2** V8i and the Building Products – **John Davis, Stuart Milne and Bogdan Wasylkiw Bentley Systems**	**C2** Bentley MAP - **Richard Lomas, Bentley Systems**	**D2** Introduction to the Bentley Academic Programme - **Zeljko Djuretic, BE Careers Network**
1100 – 1120	Exhibition / Coffee+Tea			
1120 - 1200	**A3** Dynamic Views– **Cobus Bothma, KPF Architects**	**B3** Building in the Real World – **Yui Law, Hamiltons Architects**	**C3** Bentley Rail - Design Product Update - **Ted Stephens, Bentley Systems UK**	**D3** GC (Generative Components) - The Next Big Thing - **Jalal El-Ali, Buro Happold**
1205 - 1245	**A4** Visualisation Update - **Jerry Flynn, Bentley Systems**	**B4** Bentley Structural: A Progress Report - **James Mickelburgh and Duncan Cox, BDP**	**C4** Promis*e - Product Overview and Demo - **Rick Black, Bentley Systems**	**D4** GC Student Workshops at the Faculty of the Built Environment - **Sean Hanna, UCL Bartlett School of Graduate Studies**
1245 - 1400	Exhibition / Lunch			
1400 - 1440	**A5** GC (Generative Components) – **Lars Hesselgren, KPF Architects** and **Alan Lamont, Bentley Systems**	**B5** Dubai Festival City - **Paul King, Bentley Systems**	**C5** No presentation	**D5** Advanced Parametrics in Design: GC in Education - **Paul Coates, UEL (University of East London)**
1445 - 1525	**A6** Publishing 3D data using MicroStation and Google Earth - **Wayne Marsh, Bentley Systems**	**B6** Building Products Working Together – **Stephen Holmes, Cadventure**	**C6** Visualisation for Design Analysis of Water Treatment Plants – **Paul Heath, Atkins Water**	**D6** Getting Started in GC - **Andrei Martin, KPF Architects**
1525 - 1545	Exhibition / Tea+Coffee			
1545 - 1625	**A7** ConstructSim and Projectwise Navigator - **Andy Osborne, Bentley Systems**	**B7** Building Services Analysis – **Nigel Bird, Hevacomp**	**C7** Introducing the Modo renderer - **Andrew Brown, Luxology**	**D7** Round Table - Addressing skills shortages - **Chair - Zeljko Djuretic** and Speakers from Industry and Colleges
1630 - 1710	**A8** Preparing for the Next Release - **Marc Thomas, Cadventure**			
1710 - 1730	**A9** - Wrap-up – **Len Greetham**
